

INFORMED CONSENT REGARDING ATTORNEY CONSULTATION

I, the undersigned have been advised by my attorney _____

that _____, referred to below as “the consultant,”
has been retained by my attorney to assist with my family law case. I
have read and understand the following:

1. My contact with the consultant is confidential except that the consultant is required by law to report suspected child abuse and/or intention to harm another.
2. Although I may meet with the consultant, I am not the consultant’s client; my attorney is the client and the consultant will discuss my case with my attorney.
3. I understand that the consultant will discuss my case with my attorney and with me but will not act as an expert witness and will not testify in court.
4. I understand that my attorney and/or I will be in charge of making decisions in my case, not the consultant. I further understand that the consultant will not be responsible for outcomes in my case.
